

Our Two Norwood Locations

A quick guide for families

Wildewood Education runs two learning spaces in Norwood, just three doors apart on Vanderbilt Ave. Your child's session assignment will always tell you which building — and often the exact room — to head to. Here's what to expect at each.

Wildewood Education — Norwood Learning Center

38 Vanderbilt Ave, Norwood, MA

Our original Norwood space, right next door to Orange Leaf frozen yogurt.

What happens here

- Home base for our Roots programs
- Some instructors hold sessions in the Waterfall Room or the Map Room

Parking & drop-off

- Two spots marked "Parking For Wildewood Education" are right out front. The storefront spots directly in front of Orange Leaf are reserved for their customers, so please double-check the signage before pulling in
- There's always open parking in the back row of the lot
- Please use caution when crossing the lot on foot

The Campus at Wildewood

68 Vanderbilt Ave, Norwood, MA

Three doors down from 38 Vanderbilt, right next to Children of America daycare. Look for the OPEN flag.

What happens here

- The bulk of our 1:1 tutoring sessions happen here
- Group classes for test prep are also held here

Parking & drop-off

- One spot marked "Parking For Wildewood Education" is out front — please check labels carefully, as neighboring businesses have their own reserved spots nearby
- There's always open parking in the back row of the lot
- Please use caution when crossing the lot on foot

Not Sure Where to Go?

Your session assignment will list the exact building — and sometimes the specific nook, table, or room. Plans can occasionally change, so the most up-to-date information always lives in your Noto portal.
